MRS. GERALDINE SCHMITT

WE THE CLASS OF 1955,

We, the class of 1955, remembering all the many things that our teachers have done for us, dedicate this book to one we feel is representative of them all.

For twelve years she has been a teacher at Luther. In those 12 years there have been many students whom she has guided and helped to find their first jobs. She has not only taught those in her field faithfully, but with her comfort, advice, and sympathy has patterned the lives of many others. Her office doors are always open to anyone seeking advice. She will remain in the memory of all as one carrying out God's will in everything she undertakes.

Many of us will be forever grateful to her, but too few ever tell her so. Therefore, in recognition of her tireless efforts for us, we dedicate this book to the head of the commercial department, Mrs. Geraldine Schmitt.

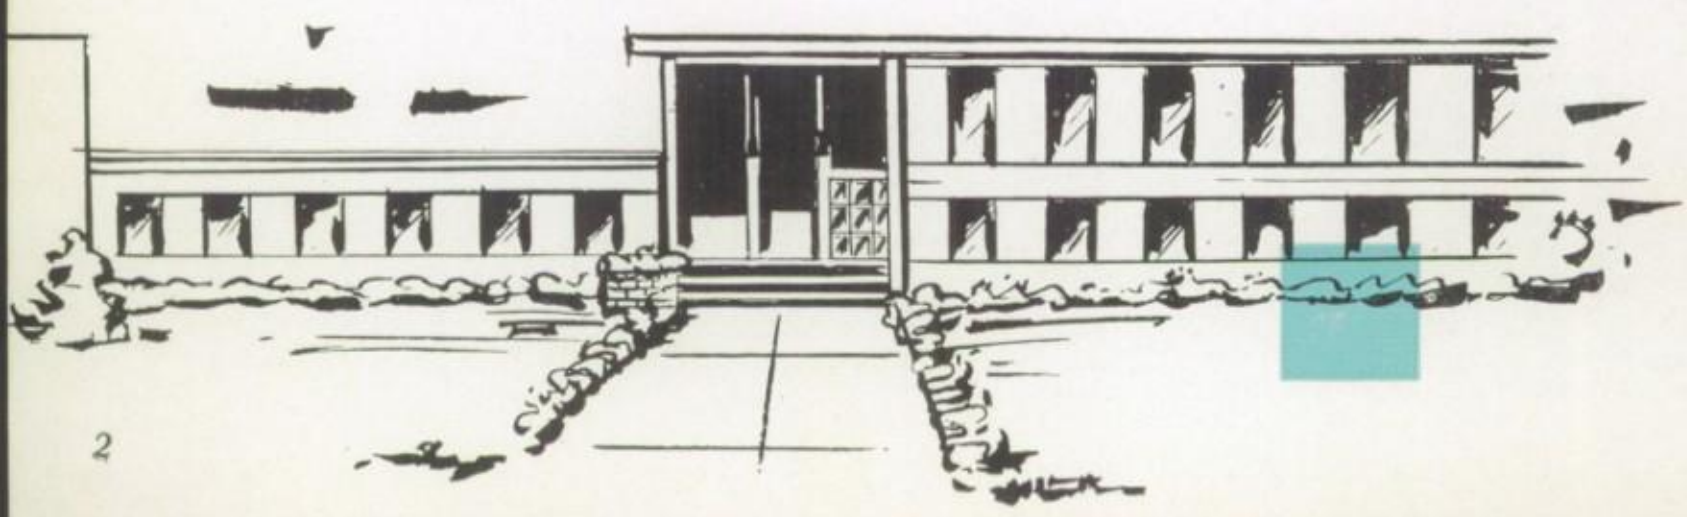
SUMMER

Summer and graduation! The seniors have finally attained their goal, and, like the full grown tree, stand confident of their place in the world.

FALL

Just as a tree sheds its leaves in the fall, so the new freshmen must shed their grade school ideas and habits and prepare themselves for the adventure of their days at high school.

PROLOGUE



WINTER

The sophomores are not quite ready to take on greater responsibilities, but are waiting, knowing that soon they will be ready, as the tree in winter waits for the first warm days of spring.

SPRING

The juniors, beginning to show the first signs of growing up, are much like a tree in spring, just beginning to bloom.

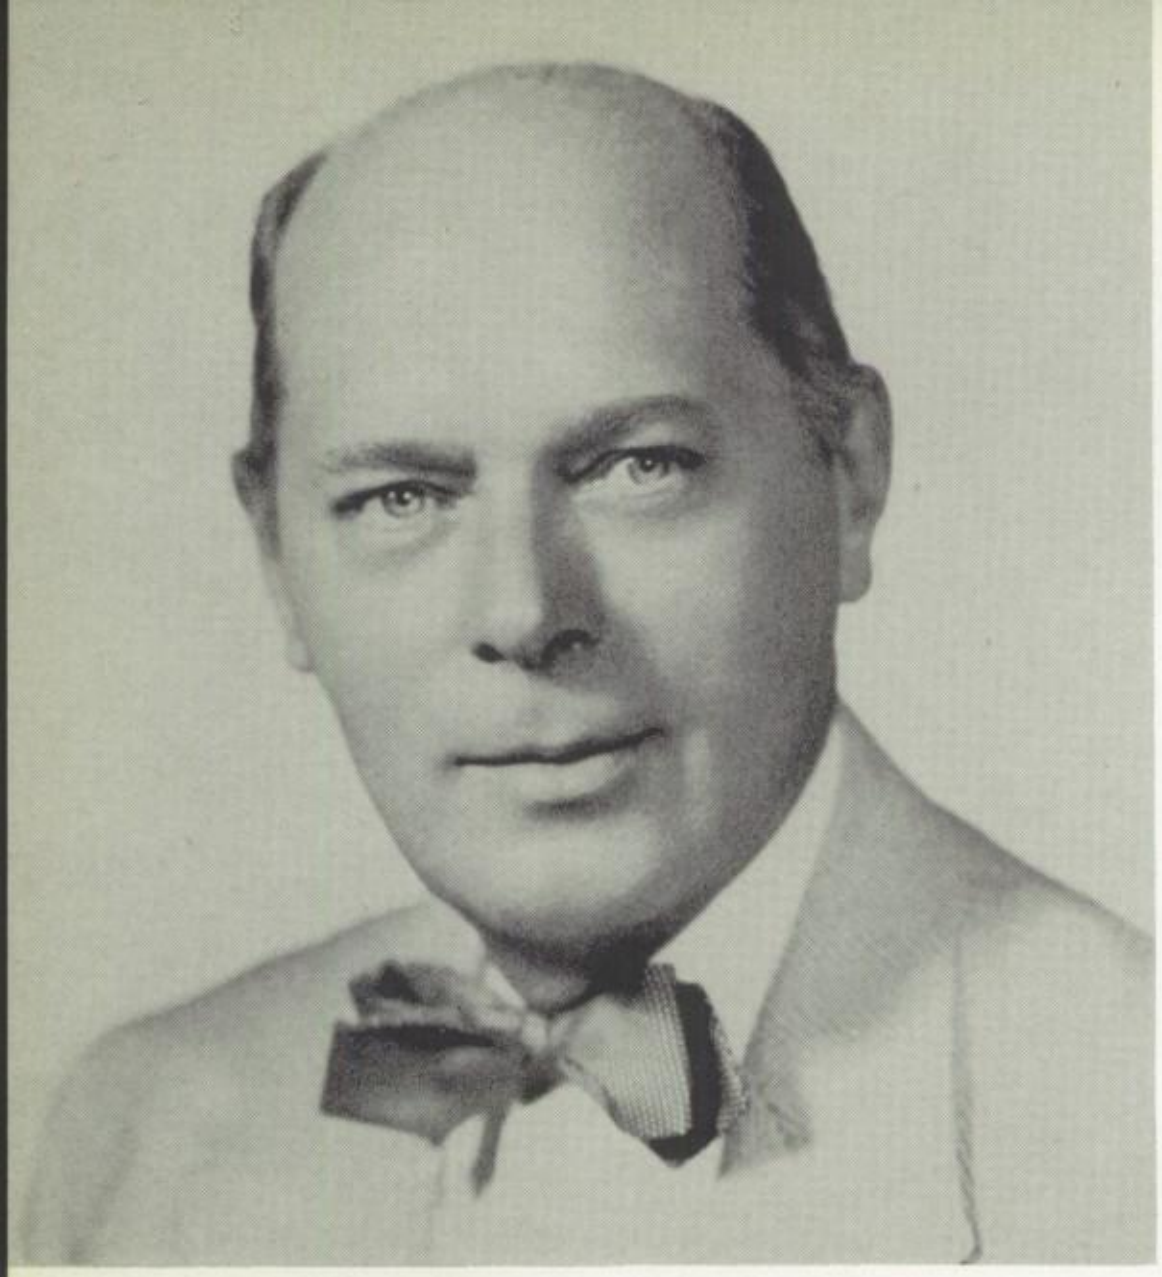
■ ■ ■

Fall, winter, spring, summer, and one more year has passed. A pleasant year filled with new discoveries and memorable times for us at Luther High North.

The passing of our four years at Luther we see so clearly in the seasonal changes of a tree. And so, we have chosen trees as the theme of this Log. Ever changing trees mark the division pages.

Just as a tree needs sunshine and rain to make it grow, so also we need the guidance of our teachers to help us grow mentally and spiritually.

With this thought and the knowledge of how richly God has blessed us this past year, we, the class of 1955, proudly present this book to the student body and friends of Luther High North.



ADMINISTRATION

LOUIS A. MENKING,
Principal

"Behold, the fear of the Lord, that is wisdom". These words spoken by Job centuries ago must form the pattern for your life. Education as such has been hailed as the great assurance for America's better and happier tomorrow. You have been trained in a high school with a Christian philosophy of life where the fear of the Lord is regarded as the highest mark of academic achievement. It is the sincere hope of those who have had the privilege of working with you, of sharing with you the truths of God's eternal word, that this training will guide you constantly in your service to God and your fellowman. Members of the class of 1955: somewhere God is counting on you to demonstrate that "the ways of the Lord are right, and the just shall walk in them".

CLASS IDEALS

Songs: The Lord is My Shepherd
Motto: Be thou faithful unto death and I will give thee a crown of life.
Flower: Tea Roses
Colors: Blue and Gold

With the conclusion of this school year, we, the class of 1955, are grateful for the many blessings we have received during the past four years.

We will remember always the good times we have had, and we thank God for the opportunity He has given us to attend a Christian school.

Through the successful editing of our twin publications, the BLUE AND GOLD and the LOG; by assuming leadership in the various social functions and campaigns; and by our school spirit; we believe we have, in our final year, surpassed our achievements of the previous three years, and can look back upon a job well done.

Yet we humbly realize that this could not be possible without the co-operation of the student body, the help of our faculty, the love and interest of our parents, and the guiding hand of God.

STUDENT COUNCIL

The "Blue and Gold" and "Log" room has another purpose too,
For there a Council member can express his point of view.
Of motions, debates, and arguments it often is the scene;
Of our hallguard system, civic points, and keeping the school clean.
They're your chosen representatives in everything they do;
And the things that they accomplish, they accomplish just for you.

LOG STAFF

Did you ever have a secret you found very hard to keep?
But you knew for twelve long months you must let no one have a peek?
Well, that was the biggest problem, it sure kept us in a bog.
Who had that problem? 'Twas the staff of Luther's log.
But after all those months of payments, pictures, and a money worry;
After the final deadline which meant hurry, hurry, hurry;
We finally came up with the end of all our pains,
And in the book you have before you we hope the best remains.

BLUE AND GOLD

The busiest students at Luther I'm told,
Are the ones on the staff of the Blue and Gold.
Each job is important, and takes lots of time.
I'll present them all in this little rhyme:
Much credit should go to the Editor in Chief,
For each issue's deadline brings some added grief.
The task of the News Staff is to present,
A true account of every event.
The Feature Staff has its troubles too,
Its job is to write things of interest to you.
The final staff is the one called Sports,
Each game of the season it reports.
Each job is important, much credit is due,
To typists, make-up, and proof-readers too,
To the Business Managers, who handle the money,
To the people who bring in jokes, corny and funny.
So a vote of thanks should be given to,
The people who bring your paper to you.

A CAPPELLA CHOIR

Practice in singing's the work that we do,

Practice on music that's both old and new.

Morning rehearsals are quite necessary,

If we want sincerely to carry,

God's Word, through music, to everyone.

Our reward's in work that is well done.

CHORUS

What is the goal we're all striving for?

It's Senior Choir we want to be in;

So now we practice, and then practice more,

And hope some day our goal we'll win.

And as we practice and learn, there's none

Who feels he's not having fun.

Who makes the best noise in the land?
The Luther North High School Band.

LIBRARY

LIBRARY ASSISTANTS AND LIBRARY CLUB

A good library is an important part of every school,
To keep it effective student co-operation must be the rule.
Assistant librarians are always in demand
To give the librarian a helping hand,
In fixing bulletin board displays and checking out books,
And always making certain the library looks
Clean and fresh, and neat as a pin,
To any visitor who might drop in.
Students, therefore, are asked to take care,
To make sure our library will always be there.

Or for the party when we bring a cake?

If you earn enough points you are sure to win.

Is one that's just been started here;

It has found many things to do.

A march of dimes drives, and a clean-up campaign have been their big projects thus far,

A special emblem is being designed to show just what their aims are.

The membership's open to just Senior boys, from that group have been chosen a few

To represent our Luther High North; may they have added success in whatever they do.

We think our team tops all the rest,
And in school spirit is simply the best.

FOOTBALL VARSITY

This year's football team, under the direction of Coach Yursky and assistant coaches Schluessner and Blecke, retained our school's good name, fighting hard and clean in every battle and showing good sportsmanship throughout the season, even though they did not win the championship. The season closed with the Wildcats holding a record of 2 wins and 4 losses. Co-captains Ed Lichtenhagen and Wally Pflug did a fine job sparking the team with the old school spirit. The two highest scorers were Ralph Larsen with 48 points and Wally Pflug with 24 points.

The game with North Shore proved to be the most exciting one. In the last moments of the contest, Wally Pflug made the extra point to win the game. Our other victory was the Glenwood game which ended with a final score of 34-0.

Some of the individual honors that were bestowed on members of this year's squad were ones which brought fame to our school. Ralph Larsen, Ed Krueger, and Wally Pflug were elected to the P. S. L. All Star team for spectacular participation in league competition. Wally Pflug was highly honored by being elected by his teammates to receive the most valuable player award as well as being chosen on the All City and All State teams.

Much of the success of this year's squad was due to the fine spirit and hard work of those graduating seniors not previously mentioned, namely Ed Lichtenhagen, Dave Terwell, Dick Wetzel, Ron Heidorn, John Mohrhardt, Gene Porter, and Pete Mahnke. Our thanks also goes to our reliable graduating manager Bob Wetzel. Congratulations are also in order to Rich Ralston and Marv Meyer, co-captains for next year's team.

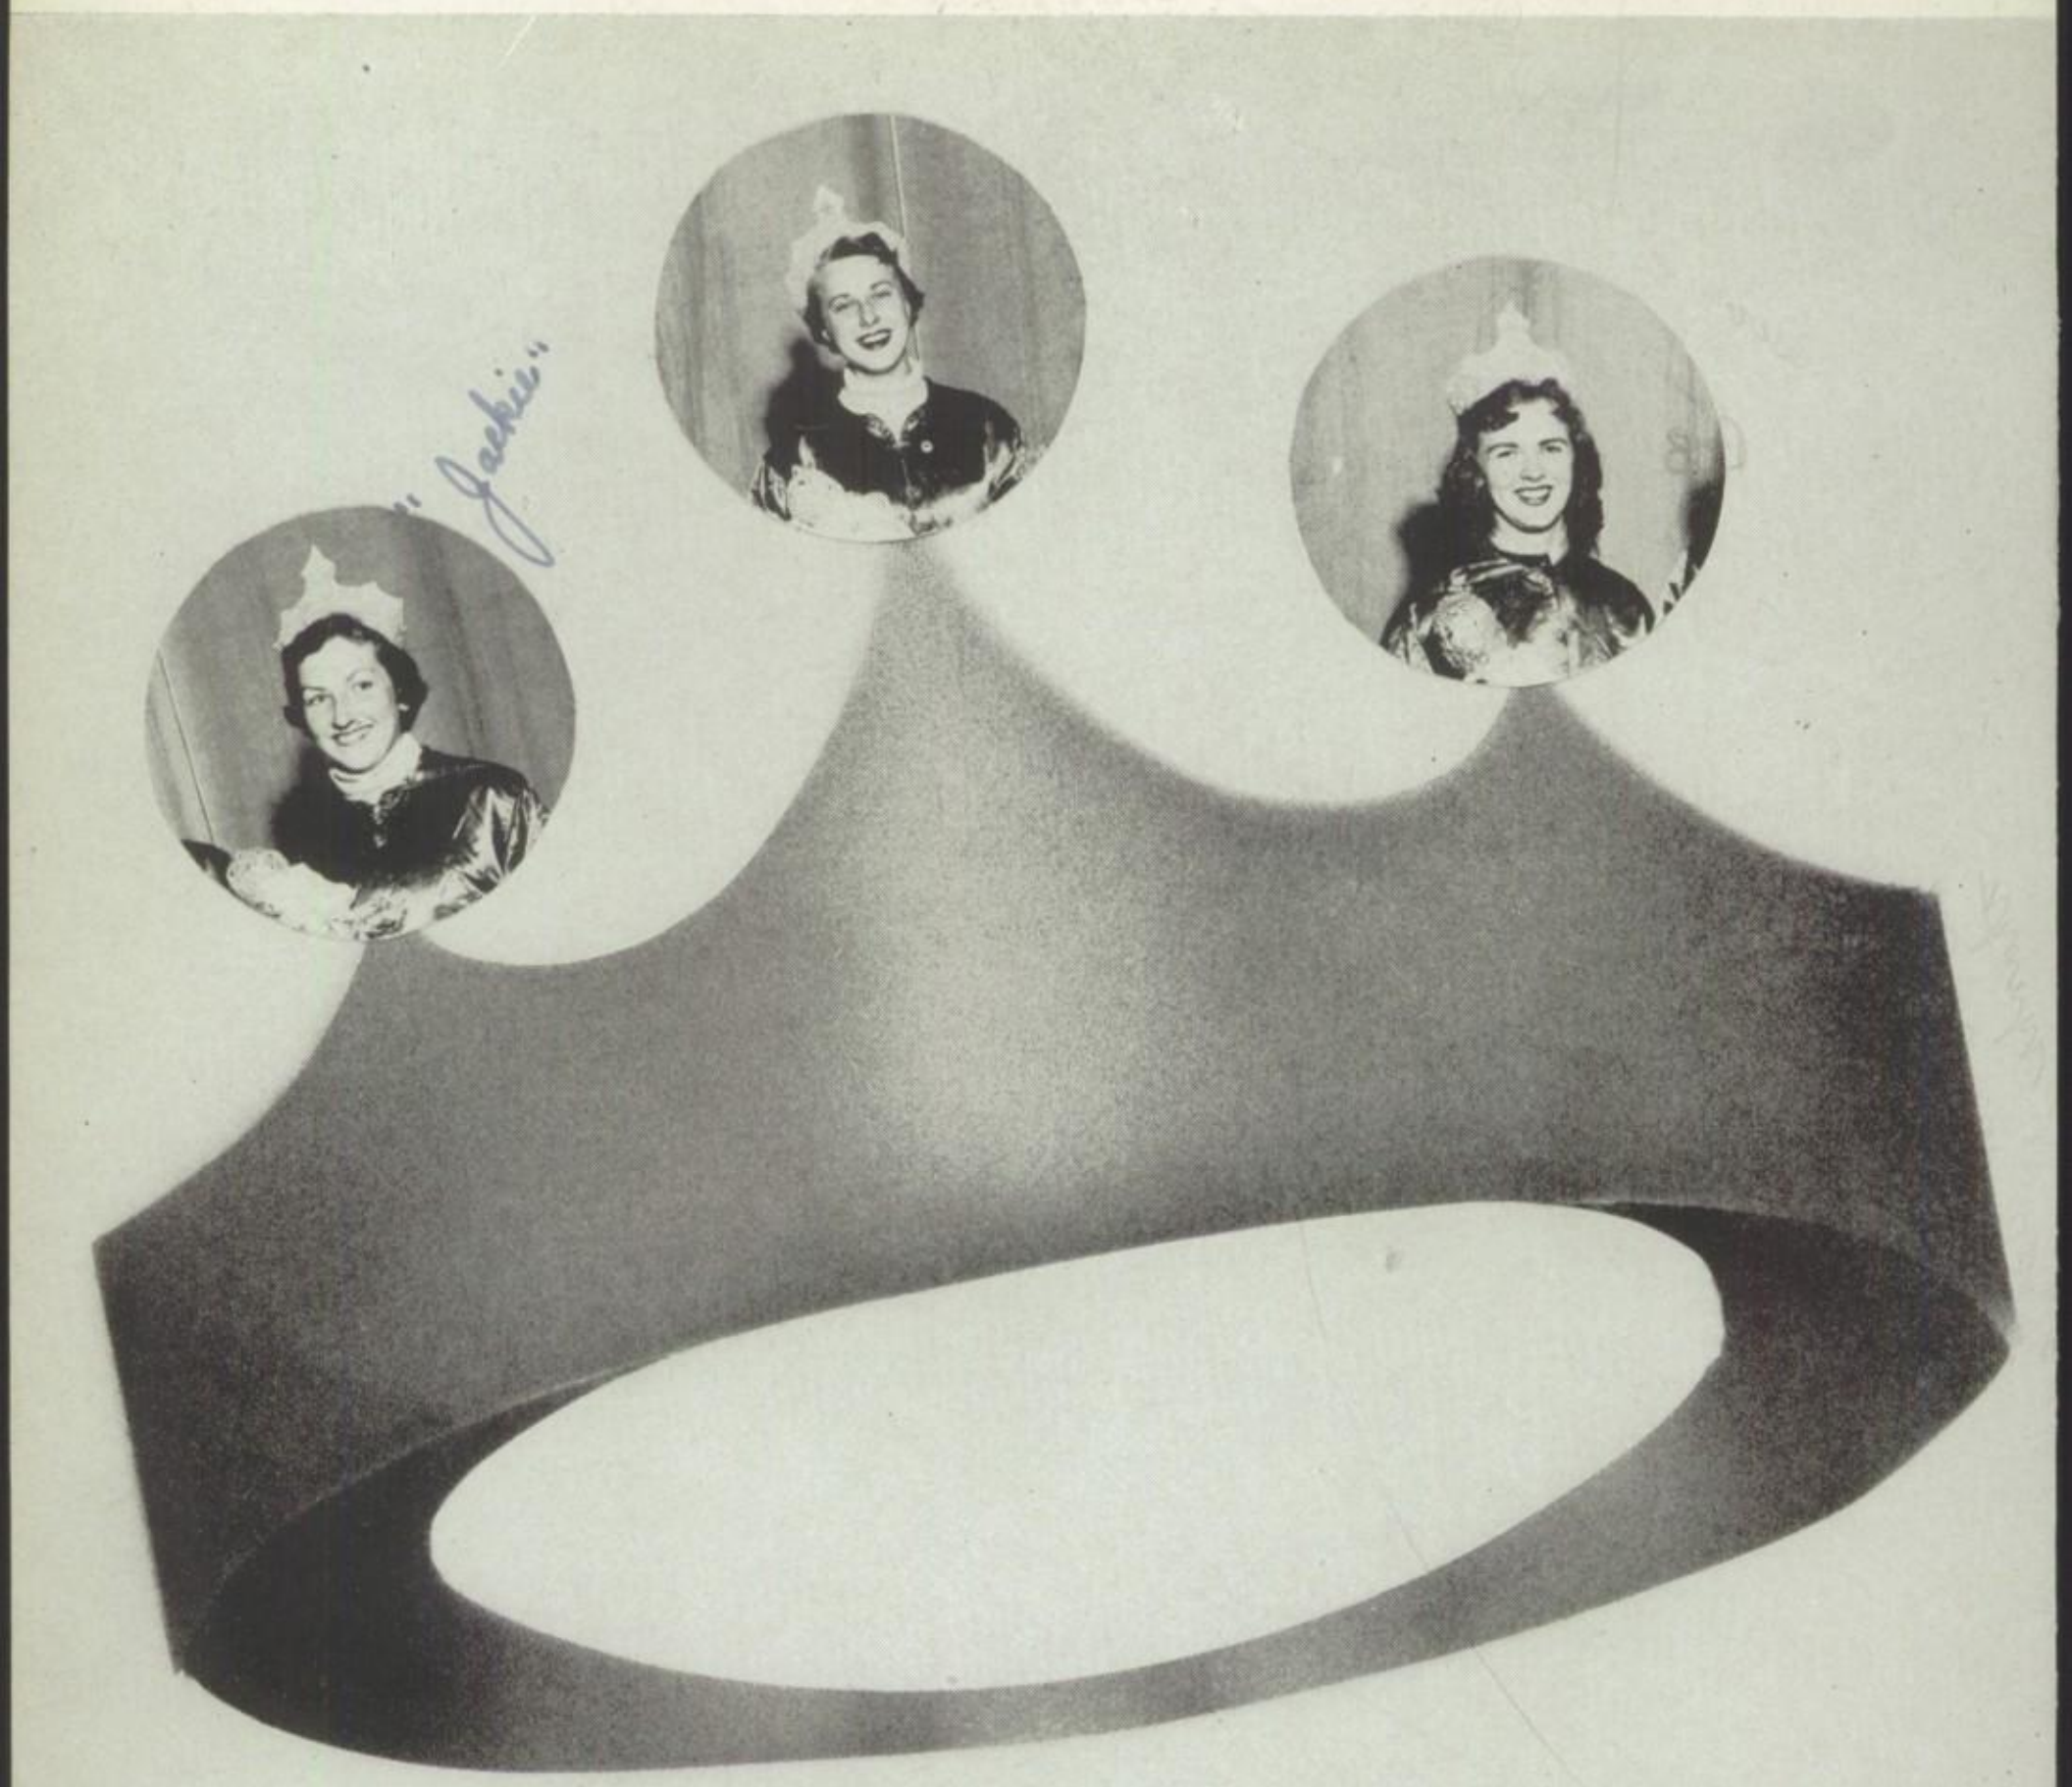
FROSH-SOPH FOOTBALL TEAM

The Frosh-Soph team scored 94 points to its opponents' 19 to guarantee a record of 4 to 0, finishing the season undefeated. The most impressive game was against Wheaton, whom the Ponies defeated 26-0. However, the team managed to make all four games exciting, scoring 19 points against Luther South's 6, winning 19-7 in the game against North Shore, and toppling Harvard by the impressive score of 30-6.

Headed by coaches Art Blecke and Bob Berning, much of the team's strength was placed in defense. This was the chief reason for the victories.

Outstanding among the sophomores were George Kaub, Dave Nasby, and Ron Wagner, while Bob Hurbanis was named the most improved player. Captain Harvey Hirsch was high scorer this year making a total of 24 points.

With the return of freshmen Dick Maina, Dave Werner, Perry Gulbransen, Ray Hupke, and Dennis Heidorn, the chances are excellent for another good season next year.



HOMECOMING

The weekend of October 22nd brought an air of excitement — the gaiety of Homecoming. After square dancing, games, and a star studded pep assembly, the evening's fun was highlighted by the crowning of Queen Beverly Aus-der-Au and her court, Jackie Wagemann and Shirley Hartwig.

The royal court reigned the following day at the Homecoming game and amid cheers of a large crowd made their triumphal entry during half-time. Spirits were high although defeat was ours. Score: 13 to 12.

VARSITY BASKETBALL

This season the Wildcats were under the direction of Mr. Don Dinkmeyer and assisted by Mr. D. Wallace.

Although we did not finish in the top bracket, our fellas gave an excellent showing at a number of the games. The students as well as the players will agree that the best game of the year was the tournament game, against Luther South. The players showed top team spirit throughout the whole game, never once giving up hope. We took the defeat, but inside no one felt defeated, for we knew that our players had given all they had.

At the end of the basketball season, a pep assembly was held at which time the following players received their letters: Arvin Kruse, Wallace Pflug, Don Koetke, Art Schumacher, Lloyd Andersen, Dick Fick, Ron Simpson, George Cobb, Ken Becker, and also our two faithful managers, Bob and Dick Wetzel. At the end of the assembly, Arvin Kruse took all honors by receiving the title of Captain, as well as the Most Valuable Player Award. The season ended with 4 wins and 17 losses. Dick Fick was high scorer for the season with 184 point and Arvin Kruse followed with 160 points. Arvin also received honorable mention on the P.S.L. All Star team.

With most of the players returning, next year's team will start with the advantage of this year's experience.

FROSH-SOPH BASKETBALL

It was fine playing for you in basketball and football
Ronald Wagner

Headed by coach Art Blecke, the Ponies finished their season with an 8 and 3 record to place second in league standings.

One of their best games was played against Latin, and left Latin toppled by a score of 64-19. This game also set a record, as 64 points marked the highest score ever made in our gym. Ron Blanken took honors for the highest individual score in any one game, coming up with 25 points in the game against Harvard. The leading scorer for the year was Harvey Hirsch with an average of 9 points per game. Right behind him in scoring were sophomores Ron Blanken, with a total of 112 points, and Art Filip, with 110 points.

Late in the season sophomores Art Filip, Harold Jahnke, and Freshman Warren Arndt were moved up into Varsity. Harvey Hirsch then took over Jahnke's place as the Ponies' captain. The team did an outstanding job, and can look forward to another excellent season next year.

FROSH-SOPH QUEEN AND ATTENDANTS

Reigning over the annual Frosh-Soph basketball party as queen was sophomore, Audrey Mansk, and her two attendants, Barbara Haag and Donna Schaitman. Harold Jahnke, captain, crowned the queen, and Ron Blanken and Harvey Hirsch crowned the attendants.

The party was given by the freshmen, and had as its theme Valentines Day. The program included square-dancing, crowning of the queen, introducing the Frosh-Soph basketball team, and refreshments.

CHEERLEADERS

This year's cheerleaders should certainly be given a round of applause, because of the terrific job that they have done in boosting that good old school spirit in the student body. They did this both at the games and also in the pep assemblies, which they organized by themselves.

The varsity cheerleaders were captained by Beverly Aus-der-Au. This group became noted for their accuracy in doing the cheers together. They also introduced many new cheers which gave added interest to the games.

The Frosh-Soph cheerleaders did equally well in showing enthusiasm and pep in cheering for their team. Audrey Mansk was elected their captain.

Mention should also be given to Miss Brower for the fine job she did in coaching the cheerleaders. Through her constant efforts to promote frequent cheerleadering practices, she should share equally in the praise given to them.

All in all, the whole staff of cheerleaders made a striking appearance in representing our school, not only by their outfits, which consisted of white corduary skirts and blue sweaters, but also because of the fine spirit and faithful support which they displayed.

BASEBALL TEAM

In spring a young man's fancy lightly turns to thoughts of . . . baseball.

And this year spring certainly arrived at Luther North in a big way. The baseball nine, coached by our principal, Mr. Louis A. Menking, and assisted by Mr. Blecke and Mr. Yursky, were really out there playing ball.

Sixty boys tried out for the team, demonstrating their desire to play ball. However, the squad was cut to a sufficient number of players and the season was under way. Seventeen games were played this year in a schedule that began on March 31 and ended on Memorial Day, May 30.

Don Koetke, the captain of the team and also second-baseman, did his best to draw top performance from the team.

The rest of the starting lineup included, Art Schumacher, Wally Pflug, and Paul Steinbach, pitchers; Dave Terwell, catcher; Dick Fick, first base; Karl Asmus, third base; Art Filip, shortstop; Harold Jahnke, right field; Chuck Holland, center field; and Ralph Larsen, left field.

The team was especially strong in the pitching and fielding departments. With the spirit that marked this baseball team of 1955, the boys certainly did a job that Luther High North can be proud of.

HARRY MEYER

Coach -

TENNIS TEAM

Luther's tennis team was in full swing again this year. The squad was made up of Ron Zimmer, Carl Shenk, Ron Simpson, Kent Moldenhauer, and Al Wanninger. Mr. Duensing, who served as coach, had high hopes for his team. He encouraged freshmen boys and girls to participate in the game because it takes time to develop into a competitive player. Positions on the squad were gained through competitive matches. It is interesting to note that all players on the first squad were juniors. Practice began in the middle of April and continued to the middle of May. This is one of the newer sports at Luther, but in the years to come undoubtedly tennis will take its place next to baseball and track.

TRACK

This year our "Cindermen" were again coached by Mr. M. Everly. There were 25 boys on the team.

Some veterans returning were: Burkhardt, Porter, Hamel, Moritz, Kroll, and Bresinger. P.S.L. record holdes fom last year are Hamel in low hurdles and Bresinger in shot put.

Two newcomers also came out to give our team balance. Gulbransen in the 109 yard dash and Sutter in the half-mile and the mile.

The team participated in many meets throughout the season. Highlights were the Wheaton Invitational, May 3rd and the P.S.L. meet, May 21st.

We would like to express our sincere thanks to the Senior Class for their help in making our Patron Drive a huge success. In particular we wish to thank Ed Wendt for the many long hours of service he rendered as our handy man, and Gary Meyer, for his taxi service. Last but not least, our thanks to Mr. Robert Hanson of Walinger Studio, Mr. Norman Koenig and Mr. Ernie Rubak of King Co., the men who turned our ideas into a reality.
